**Re: Bodega Latina Cop. d/b/a El Super
Case 21-CA-183276**

Dear Mr. Shinnars:

As indicated in the Counsel for the General Counsel's letter sent earlier today, the Union joins the General Counsel's request for an extension of time to file answering briefs and cross-exceptions in this matter, pursuant to Sections 102.46(b)(1) and (c) of the Board's Rules and Regulations due to the press of other work. We write separately to indicate that we do not oppose the Employer's request for an extension of time to May 11, 2018, to file a reply brief or an answering brief to any cross-exceptions that may be filed – that is, to be granted the same extension of time that the General Counsel and Union seek with their request.

Very truly yours,

Travis S. West
